COMMENTS:

—The door was locked and I rang the doorbell. A while male with the name tag Ric Holder came to the door and was refusing to take the documents. I informed him that the Secretary of State shows this address as the "Registered Office Street Address" and the "Mailing Address" for the business. Ric Holder said they don't accept service at this location and would not give me any information. I told him that since this address is listed with the Secretary of State I was going to have to leave it and I put the documents on the ground while he looked at me. He then walked off without taking the documents.
